## FEATURED RACES

### Attorney General - Mayes Middleton

State Senator Mayes Middleton is a proven, courageous conservative leader who promotes the America First agenda. He's led the fight to secure borders, deport illegal immigrants, designate cartels as terrorists, stop Democrat vote fraud and ensure election integrity by making sure that only U.S. citizens are allowed to vote. He will protect the life of the unborn, defend our Second Amendment rights and protect children from public school indoctrination in the transgender movement. Mayes Middleton's Senate Bill 8, which keeps perverted men out of women's bathrooms and locker rooms, has been signed into law.

### Comptroller of Public Accounts - Don Huffines

Don Huffines is a successful businessman and former state senator who will bring his Texas First agenda to Austin, including standing with President Trump; running government like a business; exposing government corruption and eliminating all taxpayer funded benefits to illegal immigrants. Don Huffines is a courageous conservative who will put an end to all DEI woke programs in government and stop this wicked transgender indoctrination in our schools. He's done it before by exposing a state-run, taxpayer-funded transgender youth website and forcing it to be shut down.

### Commissioner of Agriculture - Sid Miller

Commissioner Sid Miller has served as Agriculture Commissioner since 2015 and has earned the reputation as an effective promoter of Texas agriculture, and a staunch defender of constitutional freedoms and individual liberties. Commissioner Miller is leading the fight to end Texas' property tax burden which robs families, small businesses, farms and ranches. He is a courageous conservative who has been a strong voice for the unborn. He opposes sharia law and radical Muslims who are determined to destroy our Christian heritage. It's no wonder that President Trump praised him, saying, "Sid Miller is My Man in Texas." We need to re-elect Sid Miller.

### United States Representative District 38 - Shelly deZevallos

Dr. Shelly deZevallos will support President Trump and promote the America First agenda. She will fight to secure our borders, deport illegal immigrants, designate cartels as terrorists, stop vote fraud and ensure election integrity. Shelly supports parental rights in education and is committed to protecting our children from predators who want to use the public schools to indoctrinate our children with a homosexual, transgender WOKE agenda. Shelly deZevallos is President of West Houston Airport.

### County Judge - Warren A. Howell

As our County Judge, Warren Howell will create a DOGE department to cut waste fraud and abuse. He'll make sure law enforcement has the resources they need to keep you and your family safe. He will eliminate all local and municipal property taxes for Harris County seniors and will partner with the private sector to finally solve our county's homeless problem. Warren Howell will put an end to the liberal WOKE agenda which is running rampant through Harris County government.

### County Commissioner, Pct. 2 - Raquel Hernandez Boujourne

For nearly 20 years, Raquel Hernandez-Boujourne has led the construction industry; co-founding one of the nation's largest Hispanic, female-owned businesses; becoming the first woman to build a bridge in Harris County, Pct. 2. Alongside her husband of over 20 years, Raquel is raising two children with strong Christian values and a love for hard work. She will cut taxes & spending, support law enforcement, fight illegal immigration and improve our roads & drainage.
