## FEATURED RACES

### U.S. Representative, District 32 - Jace Yarbrough

Jace Yarbrough is a seventh-generation Texan, Air Force veteran, and conservative constitutional lawyer. A graduate of UT Austin and Stanford Law School, he has built a legal career challenging liberal, woke policies. Jace Yarbrough is a dedicated Christian who co-founded a classical Christian academy with his wife, Elizabeth. His commitment to election integrity and his background as a military officer and father of five drive his mission to fight for our constitutional freedoms. Jace Yarbrough is a courageous conservative leader who will support President Trump and promote the America First agenda. He will fight to secure our borders, deport illegal immigrants, designate cartels as terrorists, stop vote fraud and ensure election integrity. Jace supports Biblical values and opposes sharia law and radical Muslims who want to destroy America's Christian heritage. Jace has been endorsed by President Trump and has the courage of his conservative conviction. Jace Yarbrough will never back down.

### Attorney General - Mayes Middleton

State Senator Mayes Middleton is a proven, courageous conservative leader who promotes the America First agenda. He's led the fight to secure borders, deport illegal immigrants, designate cartels as terrorists, stop Democrat vote fraud and ensure election integrity by making sure that only U.S. citizens are allowed to vote. He will protect the life of the unborn, defend our Second Amendment rights and protect children from public school indoctrination in the transgender movement. Mayes Middleton's Senate Bill 8, which keeps perverted men out of women's bathrooms and locker rooms, has been signed into law.

### Comptroller of Public Accounts - Don Huffines

Don Huffines is a successful businessman and former state senator who will bring his Texas First agenda to Austin, including standing with President Trump; running government like a business; exposing government corruption and eliminating all taxpayer funded benefits to illegal immigrants. Don Huffines is a courageous conservative who will put an end to all DEI woke programs in government and stop this wicked transgender indoctrination in our schools. He's done it before by exposing a state-run, taxpayer-funded transgender youth website and forcing it to be shut down.

### Commissioner of Agriculture - Sid Miller

Commissioner Sid Miller has served as Agriculture Commissioner since 2015 and has earned the reputation as an effective promoter of Texas agriculture, and a staunch defender of constitutional freedoms and individual liberties. Commissioner Miller is leading the fight to end Texas' property tax burden which robs families, small businesses, farms and ranches. He is a courageous conservative who has been a strong voice for the unborn. He opposes sharia law and radical Muslims who are determined to destroy our Christian heritage. It's no wonder that President Trump praised him, saying, "Sid Miller is My Man in Texas." We need to re-elect Sid Miller.

### State Representative District 88 - John Browning

John Browning is the conservative Texans need in the State House. A lifelong West Texan, rancher, farmer, and independent oil and gas producer, John stands rooted in faith, family, and freedom with the courage to take on Austin insiders and career politicians. He will defend parents by keeping woke politics out of classrooms, bring fiscal discipline to state spending, and deliver real tax relief for hardworking families. John pledges to protect religious liberty, the unborn, and the rural way of life that makes Texas exceptional. For true conservative leadership, we need John Browning in Austin.
