FEATURED RACES

U.S. Senator - Ken Paxton

Dr. Hotze and CRT proudly endorse Ken Paxton for the United States Senate. While many talk a good game, Attorney General Paxton has consistently advanced core conservative principles. As a member of the Texas House, he championed limited government, lower taxes, property rights and fiscal discipline. As Texas Attorney General, Paxton has fought the "woke" agenda, leading lawsuits against the Obama and Biden administrations. He has defended the Tenth Amendment and state sovereignty while prioritizing election integrity, border security and religious liberty - issues that are central to Texas values. Ken Paxton is a proven leader. It is time to have someone like Ken Paxton who will continue to fight for Texans as our United States Senator.

Attorney General - Mayes Middleton

State Senator Mayes Middleton is a proven, courageous conservative leader who promotes the America First agenda. He's led the fight to secure borders, deport illegal immigrants, designate cartels as terrorists, stop Democrat vote fraud and ensure election integrity by making sure that only U.S. citizens are allowed to vote. He will protect the life of the unborn, defend our Second Amendment rights and protect children from public school indoctrination in the transgender movement. Mayes Middleton's Senate Bill 8, which keeps perverted men out of women's bathrooms and locker rooms, has been signed into law.

Railroad Commissioner - Bo French

Bo French is a Texas-born energy leader who was shaped by lifelong ties to the oil and gas industry in the Permian Basin, where his family's decades in oil, his experience in energy trading, and his work as a rancher and mineral owner gave him firsthand knowledge of both production and land stewardship. He is committed to reducing regulatory burdens through the Texas Railroad Commission, strengthening property rights, and advancing a merit-based, pro-growth approach that keeps decision-making close to the field rather than a centralized bureaucracy. Bo will focus on safeguarding Texas energy from external risks and stop the Islamic invasion of Texas. Currently, the Texas Railroad Commission gives out over a million dollars per year in DEI contracts. Bo French will work to end this program.
