# THIS IS THE MOST IMPORTANT ELECTION IN OUR LIFETIME! OUR LIBERTY IS AT STAKE!

**The Democrats have partnered with radical Muslims to recruit candidates who, if elected, will promote Sharia law just like they have done in Dearborn, Michigan. Our Republican Platform states that Texas government must stop Sharia Law as it is in direct opposition to the Texas and U.S. Constitutions. Fortunately, we have good Republicans who are fighting back BUT, they must be elected. Early voting runs through October 30. Please vote Republican from the top to the bottom of the ballot.**

**DON'T SHARIA TEXAS...VOTE STRAIGHT REPUBLICAN.**

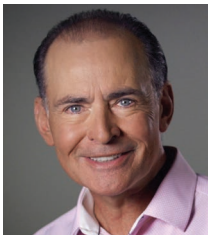
## FEATURED RACES

### U.S. Senator - Ken Paxton

This race is, without question, the most critical in the entire U.S.; the very majority of the U.S. Senate is in play and we must support Ken Paxton to retain a Republican majority. As our Texas Attorney General, Ken Paxton successfully fought the liberal "woke" agenda and will take his same conservative stance to the Senate. His opponent, James Talarico, is one of the most leftist candidates in the entire U.S. He says there are 6 genders; God is non-binary; men should be allowed to participate in women's sports and is in favor of massive tax increases. Please vote for Ken Paxton and urge your family, friends and neighbors to do the same.

### Attorney General - Mayes Middleton

Mayes Middleton is a proven, courageous conservative leader who promotes the America First agenda. He's led the fight against Sharia law in Texas, to secure our borders, deport illegal immigrants, designate cartels as terrorists, stop Democrat vote fraud and ensure election integrity by making sure that only U.S. citizens are allowed to vote. He will protect the life of the unborn, defend our Second Amendment rights and protect children from public school indoctrination in the transgender movement. Mayes Middleton's Senate Bill 8, which keeps perverted men out of women's bathrooms and locker rooms, has been signed into law.



### Harris County Judge - Orlando Sanchez

Orlando's opponent, Letitia Plummer, is a Muslim and the Democrat Candidate for Harris County Judge. The Muslims' goal is to overthrow the U.S. Constitution and force Sharia Law on our county, state and country. Plummer actually said, "As a Muslim woman...I believe that Republicans are creating these culture wars because they know that when we come together and bind together with the same intention, we will win and take over every single time." She also said, "I learned to pray in Arabic. This is who I am. I own that." Orlando Sanchez is the Republican who has pledged to support and defend the Constitution and laws of the United States of America against all enemies, foreign and domestic. Don't let Letitia Plummer Sharia Harris County!

### ALL REPUBLICAN JUDGES AND MARC COWART FOR HARRIS COUNTY TREASURER

Elections have consequences and while the top of the ticket races are critical, we have several down ballot races which underscore the importance of local governance. The current Democrat incumbent Treasurer, Carla Wyatt, has been arrested three times while in office and unbelievably demanded her salary be increased to $305,000! Fortunately, we have a chance to vote her out this November. The Republican candidate, Marc Cowart. Additionally, in Harris County, Democrat judges have released violent offenders on bond who have went on to murder over 200 of our fellow citizens. That's right! Criminals who were arrested for serious felony offenses, were released on bond and have murdered over 200 residents while they were out on bond. This madness has to stop.

**CLEAN UP THE HARRIS COUNTY COURTS BY VOTING FOR EVERY REPUBLICAN JUDGE.**
