# FEATURED RACES

## U.S. Senator - Ken Paxton

This race is, without question, the most critical in the entire U.S.; the very majority of the U.S. Senate is in play and we must support Ken Paxton to retain a Republican majority. As our Texas Attorney General, Ken Paxton successfully fought the liberal "woke" agenda and will take his same conservative stance to the Senate. His opponent, James Talarico, is one of the most leftist candidates in the entire U.S. He says there are 6 genders; God is non-binary; men should be allowed to participate in women's sports and is in favor of massive tax increases. Please vote for Ken Paxton and urge your family, friends and neighbors to do the same.

## United States Representative, District 2 - Steve Toth

We proudly support Steve Toth for Congress because he has demonstrated a strong commitment to conservative principles, constitutional freedoms, and putting American families first. As a Texas legislator, Toth has championed stronger border security, support for law enforcement, Second Amendment rights, parental involvement in education, and policies designed to strengthen American energy independence and domestic industry. His background as a pastor, small-business owner, and experienced legislator brings a valuable combination of faith, practical leadership, and a commitment to limited government. Steve Toth will bring a bold, principled conservative voice to Washington, stand firm for the values that matter to Texas families, and work to protect our freedoms and strengthen our nation's future.

## Attorney General - Mayes Middleton

Mayes Middleton is a proven, courageous conservative leader who promotes the America First agenda. He's led the fight against Sharia law in Texas, to secure our borders, deport illegal immigrants, designate cartels as terrorists, stop Democrat vote fraud and ensure election integrity by making sure that only U.S. citizens are allowed to vote. He will protect the life of the unborn, defend our Second Amendment rights and protect children from public school indoctrination in the transgender movement. Mayes Middleton's Senate Bill 8, which keeps perverted men out of women's bathrooms and locker rooms, has been signed into law.

## State Senator, District 4 - Brett W. Ligon

Brett Ligon served as the Montgomery County District Attorney for 17 years. Ligon has stood on the front lines of law and order, earning a reputation as a fearless defender of public safety and principled conservative leadership. Guided by the motto, "Let justice be done though the heavens fall," he has never wavered in his mission: protecting Texans and delivering justice without compromise. He'll take his same conservative, Christian values and fight for us in the Texas Senate.

## Montgomery County Judge - Mark Keough

Judge Mark Keough is a proven, battle-tested conservative leader. Since being elected in 2018, Judge Keough has been a relentless defender of the taxpayers and has delivered on his promise of fiscal conservatism by cutting the county tax rate year after year, even as property values rose. He is a staunch defender of law enforcement as well as our Christian, conservative values.

**Please remember to vote for Conroe ISD Trustee Position 1, Aggie Gambino, Conroe ISD Trustee Position 2, Rod Hammer and Conroe ISD Trustee Position 3, Misty Odenweller. These are conservative patriots running for these critical non-partisan seats.**

The Democrats have partnered with radical Muslims to recruit candidates who, if elected, will promote Sharia law just like they have done in Dearborn, Michigan. Our Republican Platform states that Texas government must stop Sharia Law as it is in direct opposition to the Texas and U.S. Constitutions. Fortunately, we have good Republicans who are fighting back BUT, they must be elected. Early voting runs through October 30. Please vote Republican from the top to the bottom of the ballot.

# DON'T SHARIA TEXAS...
# VOTE STRAIGHT REPUBLICAN.
